Time flies when you're having fun!! June is over, and here comes July that is a slower month for activities. This will give us time to prepare for August.

We have 4S games on July 8th at the Sacramento Yacht Club. Even if you're not playing a game, come out and support our Club to victory.

We have another event coming up on July 22nd. Our SYC family is growing again. Brad and Becca Pinnell are expecting their second child, and we are having a baby gender reveal/baby shower at the Club for them. All members are invited. Please see the flyer in this Bulletin for more details and RSVP as soon as you can.

We have the large event "Taste of the Delta", coming August 5th. It's sure to be a great day, and we are going to have a dinner that evening. Watch for the details so you can sign up.

We have St. Francis Yacht Club's Ski Boat Poker Run coming to the club on August 19<sup>th</sup>. This will only be a day event (lunch and social time). What a great way to meet new people and make new friends from other clubs. Please watch for the flyer for this event coming soon.

Be sure to sign up often and early for our upcoming events, hosting and attending. Let's see if we can get some new bartenders, too.

I would also like to add a big THANK YOU to our hosts this last month who stepped up and cooked all the meals we had, as well as our bartenders. It was an extremely busy month, and everyone worked hard to make our guests feel welcomed.

As always there is always more to come ... as we have just begun to have fun!!!

Let's have fun at the Club ~ *You cruise faster alone, but farther together. Let's Cruise Together!*

Hey!!!! Is it hot enough for everyone? I can only speak for myself and it is HOT!!!

We have had lots of activities going on, and now we have some quiet time for us all. I would like to reflect back and think about what I have encountered since joining Stockton Yacht Club. I have met some really great people. With that comes friendship, comradery, sadness at times, and lots of good food. This is not without saying all the hard work that makes this Club work.

I want to take this time to thank the people who have done more than their fair share of hosting events, You know who you are and THANK YOU SO MUCH. Also, a really big thank you to our members who have stepped forward to bartend.

Coming off probation this month is Ron Armonde and Dean and Janelle Carlson. We had a new membership from Georgiana Thomas and Doug Ramos. They are looking forward to attending club functions. So, if you see them, please introduce yourself and make them feel welcome.

The 4S Games are upon us. If you are not participating in the games, please come and support our Club. Heaven knows we need it. Fourth place is getting a little old. Stay cool and behave!

Hello everyone. I hope you all are having a great summer! It's almost time for 4S Games in Sacramento on July 8<sup>th</sup>. I encourage everyone to come out and support our members participating in games and have some fun! The rest of July is quiet except for Wacky Wednesday's and the PICYA Delegates dinner on July 10<sup>th</sup>.

The bar is doing very well this year, and I want to thank all the volunteers who have stepped up to bartend on Wacky Wednesdays and TGIF's. A big shout out to Darren, our Bar Manager, for all his continued hard work. It's greatly appreciated and THANK YOU! I encourage everyone to please consider contributing some of your time, in any way possible, bartending, hosting Wacky Wednesdays and other dinners. We have many open dates to fill for the rest of the year, so please check your calendars and volunteer for an event.

Until next month, Happy and Safe boating.

**Board Chairman  
 Fred Ramos**

With the resignation of our Port Captain, I want to personally thank Ron Malmquist for his time and dedication to this position and our Club. "Thank You Ron". I know from my view it's not an easy road to travel down as we often assume. We have had the endless duties of the Port Captain mixed with emotions and politics that can often tug at the heart. Ron continues his dedication to the Club. As I write this article, I know he is busy getting the air conditioner repaired in the galley. His dedication to our Commodore is immeasurable, and I'm sure we will see this family team continue on.

With that being said, here we are with the here and the now. As I look at this position, I often wonder who thought of this? The duties are so overwhelming; how can one person accomplish so much? So, I have appointed an Acting Marina Manger to handle just the Marina. The Acting Marina Manger is responsible for only the Marina and Guest Dock, nothing more. It is with great pleasure that I give you your new Acting Marina Manager, Schatzie Haws. Thank you, Schatzie, for volunteering to take on this very important job.

Our Assistant Port Captain, Larry Brown, has stepped up to the plate to take on the duties of overseeing our Caretaker, Linda Gobbell, and I can see they have a fantastic working relationship. Assisting Larry with the duties of the Club House and Maintenance is Randy Welch. Thank you Larry and Randy, all your accomplishments on this new and unconventional job is most heart felt. We have presented this break down of duties to the Board of Directors at our last meeting on June 20<sup>th</sup>. I have asked the Three Musketeers, Schatzie Haws, Larry Brown and Randy Welch, to form a committee to report back to the Board on their duties and studies as to how to make the Port Captain's responsibilities to possibly break down into two or three different job titles. The Three Musketeers are working together just like clockwork and, at this point, they are very well accomplished and in sinc.

So, as we continue down our perceived path of life, we really never know which way the wind may take us. We can only trim our sails and hold fast to each other, for where one goes we all go.

**Sunshine Report  
 Donna Clausen**

Summer is here, and it appears the heat has killed all of the bugs that were going around. No one has reported any illnesses or other issues.

If you have been feeling under the weather, please know that we are always wishing our members good health and much happiness.

## PICYA Delegate Ed Stetson

The June Delegates meeting was held at Half Moon Bay Yacht Club. SYC was represented by Ed and Bonnie Stetson and Paul and Donna Clausen. Nice excuse to get some wonderful, fresh seafood, 1 1/2” Littleneck Clams at Pete’s in Moss Landing! So, tender.

## RBOC Report Jack R. Michael President 2013

As I write this report, we just finished an RBOC Board Meeting. There are not many changes from my report last month, other than bills have moved to other committees as the process moves on! I suggest that you go to the RBOC website, [rboc.org](http://rboc.org), and click on the “Boater Brief” heading for the Summer Boater Brief. This provides a bit more detail than my report last month.

You may recall an issue we had last year with the Sheriff’s Association regarding the use of recreational boater generated funds to finance removal of abandoned commercial vessels. The Sheriff’s Association has been surveying the existence of derelict, abandoned vessels in the Delta and have documented considerably more than previously thought. Our concern is the abandoned commercial vessels, since commercial vessel owners do not contribute any funding to address this issue. However, there is another issue involved and that is that some derelict “commercial vessels” are really private vessels which have also not contributed funding for abandoned vessel cleanup. This funding now comes solely from the fuel taxes paid by recreational boaters. We will be having more discussions with the Sheriff’s Association to find some solution to this problem.

Enjoy the boating season and look for hopefully more information in my report next month!

Happy Boating!!

## Delta Fleet Captains Terry Medeiros & John Tulich

Hello to SYC members. After the rain and runoff that we had this past winter and spring, some of our favorite cruising places have been left with considerable damage and disruption to their facilities. We had to cancel a couple of cruise outs because of this, but we will try to re-schedule, if at all possible.

We do have a great cruise out scheduled for August 25 thru the 27<sup>th</sup> to Delta Marina in Rio Vista. This is a fantastic location and has many things to offer. It is a short walk to the downtown area that has much history about the Delta and Sacramento River. Our dock space is limited; however, if you want to drive in, you are welcome to join us. Please see the flyer in this Bulletin and get your reservations in. Everyone has fun in Rio Vista!

## Bulletin Editor Schatzie Haws

Ok, so I need to update my picture. Does this tell you how long I have been your Bulletin Editor?

I have been doing this on and off for almost 15 years, and have enjoyed this journey in my life. Now, it is time for a change. Through out the years, I have worked with awesome, supportive teams. I am pleased to let you know that one of our members, Frank Gurnee, has stepped up to the plate and volunteered to take over. We have been working together the last couple of weeks, and I will continue to assist him through the learning process. He has shown enthusiasm and willingness to “learn the ropes” (oops lines).

As most of you know, I have taken on some new responsibilities at the Club, and look forward to some different challenges. If anyone has any questions or would like to help Frank, please let me know, and I will pass it on to him.
