Let the boating season begin!!

With warmer days to come, I think we are all excited to be out on the water, I know I am.

Opening Day on the Delta was at the mercy of Mother Nature, but none the less the parade went on. It was a little smaller than past years, but we made up for it with a wonderful dinner and a lot of camaraderie. Thank you to all who made this great day happen!!

After a busy April, May is even more eventful. We have a cruise in every weekend during the month. This is a great time to meet new people or reconnect with other clubs.

We start the month off with Weber Point Yacht Club cruising in May 5th thru 7th. The weekend starts with a TGIF for Cinco de Mayo and then the Kentucky Derby and dinner the following day. The weekend ends with a Sunday breakfast.

May 12th thru 4th is Mother’s Day weekend, and we have Diablo Yacht Club cruising in to see us. There will be a TGIF, Saturday dinner with music, and a wonderful Mother’s Day Brunch. Be sure to sign up right away. I understand this may be a full house!!

But wait---there’s more

May 19th thru 21 lines up to be a very full weekend as it is a cruise out to Grindstone Joe’s. Also, Discovery Bay is cruising in to see us again. That weekend, we have a TGIF, a great Saturday night Italian dinner, and a Sunday morning Bon Voyage breakfast. If you’re not attending the Club cruise out, maybe you can attend Discovery Bay’s cruise in weekend.

To top off the month of May, Memorial Weekend, May 26th thru 29 will be a great celebration with Caliente Yacht Club having their 50th Club Anniversary. They could not think of a better place to celebrate than at our Club with us!! We will have a TGIF, Saturday night dinner, Sunday breakfast, Sunday night dinner, and a Monday breakfast.

Be sure to sign up often and early for our upcoming events. Let’s see if we can get some new bartenders, too.

I would also like to add a big THANK YOU to everyone who has helped out doing something for our Club, whether it is cooking, bartending, cleaning, or repairing something. This means a lot to keeping the Club in the best possible shape so we can continue to have this beautiful place to come back to each time. THANK YOU!!

Stay tuned for more to come … as we have just begun to have fun!!!

Let’s have fun at the Club ~ You *cruise faster alone, but farther together. Let’s Cruise Together!*

---

Well, here we are again for another Bulletin article. If you were not fortunate enough to attend our Opening Day on the Delta, “*Comics and Cartoons,***” you certainly missed out on a fabulous event.

For starters, Donald and Jorja Ivie did an amazing job gathering all the troops together. They had a Plan A and a Plan B to coincide with the weather. Leave it up to them. We all thank you for your diligence, hard work, dedication and a wonderful time. The weather Gods were with them. Also, thank you to Patti Brennan for arranging the blessing of the individual boats. Nita Rienhart did the blessing of the boats on the water.

Our fabulous dinner was served by Fernando and Terry. Fernando actually carved the tri tip as our members and guests came thru the chow line. The meal was amazing. Did you see the Mickey and Minnie Mouse cupcakes at our dessert table? How creative was that? Once again, thank you Fernando and Terry.

I felt “Comics and Cartoons” was a hard theme to decorate, but we pulled it off. Thank you, Schatzie and Linda Wilson, for helping me with all the table and wall decorations.

(Continued on page 4)
Unfortunately, we have had to cancel a couple of dinners and breakfasts due to lack of participation. We need your support in order to continue these activities. We try to make our dinners appetizing. If you have any allergies or a religious issue to foods on the menu, please let us know. Our volunteer hosts are here for you and will try to accommodate whenever they can.

I am pleased to announce the following:

**New Members:** Blaine and Dena Bibb

**Members Off Probation:** Larry Brown and Lin Yan Matre, and Ed Henry and Lina White

We have a lot of activities on our calendar. Please sign up and come have some fun.

Last, but not least, I want to wish you and your family a very Happy Mother’s Day.

See you at the Club. Have fun, be safe and happy boating.

---

Hello everyone. Thanks to Mother Nature finally cooperating, the Opening Day on the Delta Parade and Dinner were a huge success. A BIG shout out to Donald and Jorja Ivie for organizing the parade, Fernando, Schatzie and Fred for the awesome dinner, and Lucy, Linda Wilson and Schatzie for the awesome decorating of the Club.

The bar is doing very well so far this year, but we need volunteers as it’s going to be a busy summer ahead. I encourage everyone to please consider contributing some of your time this year, in any way possible, bartending for Wacky Wednesdays, TGIFs and the many scheduled cruise ins. So please everyone think about helping out so we have great events and enjoy each other’s company and keeping the SYC the greatest on the Delta.

“It is the set of the sails, not the direction of the wind that determines which way we will go.”

Until next month, Happy and Safe Boating.
The April Delegates meeting was held at Pittsburg Yacht Club. Stockton members in attendance were Ed Stetson, Paul and Donna Clauson, Dave and Linda Breninger, Jack and Mary Lee Michael, Robert Willis and Sheila George, and Patti Brennan.

By the time you read this, the 100th Opening Day on the Bay Parade will have concluded. For 100 years, according to the Yachting Registry, PICYA has opened the yachting season with a parade of decorated boats, large and small, and a blessing of the fleet. The theme for this year’s parade was “Cruising the Century.” Showcasing historic moments of all kinds: Nautical, Technology, Science, Historic Figures and more. We welcomed this year’s Grand Marshal for the 100th Opening Day on the Bay Lieutenant Colonel John Morrow, the 54th Commander and District Engineer of the San Francisco District (United States Army Corps of Engineers).

Scholarships:
Each scholarship requires $2,700 to fund, $2,500 to be presented to the Student’s Institution, $200 to finance the cost of awarding the individual scholarship. We need donations from member clubs to be able to present more this year. We accept donations from $10 to $2,700. Remember, a $250 donation earns your club 10 COTY points. Forms are available to download from the website, Donation Form

Applicants: Please publicize the program. To be considered applicants must be:

Students, whose parents, grandparents, guardians or mentors, are members of a yacht club belonging to PICYA

Applicants must be graduating high school seniors of the current year or college students continuing to pursue their educational goals

Application and Guidelines available for download at http://www.picya.org/scholarships

RBOC Report
Jack R. Michael
President 2013

I will try to keep this short, but I do have a lot to report after our two days in Sacramento for our annual Legislative Day continuing to protect your boating rights and interests! We started off asking Senator Jerry Hill (D-San Mateo) why he introduced SB 65 which included a provision that would have extended the boating under the influence (BUI) laws into the Vehicle Code with a prohibition against individuals drinking alcoholic beverages while operating a boat or riding as a passenger aboard a boat! He evidently was not aware of existing BUI laws against operating a vessel under the influence. Upon explaining our concerns, the Senator agreed to remove the provisions from his bill!

There is also an effort underway to eliminate the mortgage interest deductions for second homes which includes boats! We will keep you advised of this issue.

Another new law in effect and under preparation for a couple of years requires, starting January 1, 2018, that Golden State boaters ages 20 or younger who operate a motorized vessel on state waterways will need to have a boater safety card showing successful completion of a boater safety education course. Each year thereafter on January 1, more age groups will be added to the requirement so that by 2025 all California boaters will need to carry a boater card issued by California State Parks Division of Boating and Waterways (DBW).

(Continued on page 6)
The easiest and most affordable way to meet the requirement is to take the Boat US Foundation’s free online Boater Safety Course now approved by DBW – which allows boaters to take the course in the comfort of their own home. Once successfully completed, the course does not expire so boaters of all ages don’t need to delay and can complete their boating safety education now.

The course is loaded with interactive animations, videos and photos to give boaters an education that goes well beyond the basics of boating. The best part of all is that the course is free and can be taken at home! It’s designed so that you can stop and then continue at any time.

Upon finishing the course, boaters can print their own certificate of completion, and beginning in 2018, the State will begin to issue official California Boater Education Cards to students who have completed the course between January 1, 2015 and December 31, 2017.

The course and exam are approved by the National Association of State Boating Law Administrators and recognized by the US Coast Guard as exceeding the minimum requirements for the National Recreational Boating Safety Program.

To take the course, go to BoatUS.org. For more information about California boater education go to californiaboatercard.com.

Opening Day Parade on the Delta Cartoons & Comics

Article submitted by Donald and Jorja Ivie Chairpersons

April 8, 2017, was our Opening Day on the Delta Celebration. Each year we have a themed boat parade, along with an amazing dinner. This year’s theme, selected by Commodore Beasley, was Cartoons and Comics. Such a theme offered great opportunity for a wide selection of decorations. And it was fun to see!

Unfortunately, getting to that point was a challenge. The weather reports coming in prior to that Saturday celebration were not boater friendly. Okay, most of us know that a little rain can’t keep us from an Opening Day on the Delta boat parade. And wind is something we need to pay attention to even though we are not sailors. My friend Jim Kopshever says, “wind is our friend”, but the sarcasm is strong . . . I think. At one point, there was at least one weather report anticipating not only rain but also the potential for 40-60 mile-per-hour winds!

That made a few people nervous and, subsequently, reported to us that they would not be decorating or taking their boats out. Yikes! As we got closer to the date and the weather reports didn’t get much better, we sent out an email with a Plan B, if we needed to cancel the boat parade for safety reasons. There was a big IF in there, because we all know that the weather reports change a lot.

By Friday, even though it was raining a bit, the wind was not too bad. So, on Saturday, the docks were full of decorating teams. The spirit of Opening Day was strong.

Fernando Centeno and Terry McGregor, along with helpers Schatzie and Fred Ramos, were busy in the clubhouse prepping a dinner for 110. A little stormy weather can’t keep members and friends from attending an Opening Day on the Delta dinner celebration!

Although the weather wasn’t sun shiny, we did manage to get 10 member boats out on the water for the boat parade. In addition, Jim Fenelon kindly agreed to take his boat out as the Judge’s boat. Generally, the judge’s boat docks at the Stockton Downtown Marina, but Jim had to return to Stockton Yacht Club do to a steering problem. Sorry, Jim, that you didn’t get to have fun hosting the judges and being on the water, but glad you were able to get back to the club safely. No worries, our judges were not to be dissuaded. They enjoyed the break in the weather as they sat in their chairs on the guest dock and watched as the boats returned from the parade. Thank you to judges Mary Garcia, Ellie Temple Baumer, Corine Herrera, Nancy Fisher, and Jim Fenelon for making the best of a difficult situation and figuring out the winners from a different perspective!

After all the boats were tucked away in their slips, members, friends and family gathered in the clubhouse. What a kick to see all the costumes, from Laurel and Hardy, to Fred Flintstone and Bam Bam, a group of Spidermen, Mickey Mouseketeers everywhere, Donald Ducks, Goofy, and even some pi-
rates. Then, on to a delicious tri-tip dinner. And how cute were those cupcakes? Yum! Thank you, Terry and Fernando, for taking on such a big dinner event. Thank you, Lucy Hamilton, for your creative ideas in decorating the clubhouse, table settings and dessert table. She is one talented lady.

After dinner, we had our boat decorating awards ceremony. Here is how it shook out:

1st Place 34’ and under: Auri Ana – Robert Willis and Sheila George

2nd Place 34’ and under: Sea Esta – Bob Palmer

1st Place 35’ and over: Beverly Ann – Bob and Beverly Cain

2nd Place 35’ and over: Meridian – Tim and Debbie Greene

Wild Card: Meridian: Giant posters, sparkling fringe & flags and dancing cardboard characters

Grand Marshall Choice: Beverly Ann – No doubt on this one, just chock full of characters and color!

Thank you to all the boaters who took a chance on the weather clearing, which it did, to be part of the parade. Participants: Mea Culpa – Roger Beebe and Mickey Johnson, Final Final – Jim Kopshever, Nova – Frank and Lynn Gurnee, Kickin’ Back II – Gary and Kathie Steere, NirVana – Cliff and Sally Kenst. Thank you also to Ron and Joan Malmquist for being the Grand Marshall boat. Thank you to Bill and Sue Wells for being our Grand Marshalls. We were honored that they accepted our invite. We appreciate that they spend so many of their hours traveling the delta and reporting on the great happenings on and off the water.

Thank you to Nita Rienhart for the blessing of the Fleet before beginning the parade. Thank you to Patti Brennan, once again, for bringing a friend to bless member boats on the dock—cleared up some bad juju on our new boat.

As always, our registration for the boat parade is donated to a charity. This year’s proceeds went to Stockton’s Boys and Girls Club. We believe it is best to give directly to a local charity that benefits our community members.

If you have not done so already, check out our Photo Album page on the SYC website – Opening Day 2017 button. Great pictures of decorations and

Since I have not heard anything about illnesses, surgeries or otherwise from our members, I have a mountain full of happiness to report. Stay healthy!

WHAT IS 4S ALL ABOUT?

During the next couple of months, you will see information regarding 4S in our monthly Bulletin. Many of our new members probably have no idea what it is all about so we thought we would take a moment and give you a little history.

The 4S started in 1953, when four yacht clubs (Stockton, Sacramento, San Joaquin, and Sportsmen) got together for an Over the Bottom Race. The host club would serve sandwiches at the end of the race. This event has really changed in 63 years. Now, it is a three or four-day event with games, food, entertainment, and a lot of fun.

In 1986, Sportsmen Yacht Club donated a perpetual trophy for the 4S games. In 1994, Sportsmen started the tradition of presenting medals to all the game winners.

The last time Stockton Yacht Club took first place was in 1991, when we tied with Sacramento Yacht Club. Since then, we have consistently been in fourth place, with the exception of 2003, when we placed third.

This year Sacramento Yacht Club will be hosting the event. We sure hope you can join us for some fun games and a chance at moving our ranking up. It’s been a long stretch since 1991. As we receive additional information, you will be notified.
Delta Fleet Captains
Terry Medeiros and John Tulich

As I write this article, the Club is preparing for our first cruise out to Delta Yacht Club April 28th thru 30th. At this time, we have 16 boats signed up, and we expect to have a wonderful time. The weather should be fantastic. I know I can’t wait to get out of the shed. It’s been a long winter. With all the current on the Calaveras River and the debris, it has not been very inviting to take the boat out. BUT…that is all behind us now.

Our cruise out to Grindstone Joe’s is not looking good at this point, and we may have to cancel. They are experiencing some major electrical damage from the high water. The guest dock and patio areas are without power and they are not sure when it will be restored. We are looking for alternative places to go, and we will keep everyone advised. Please see flyers for any updates.

We are waiting for details from Ebony Boat Club for our June cruise out. Once again, we will forward that information as soon as we get it.

For our August cruise out, we will be going to Delta Marina in Rio Vista. They are located behind The Point restaurant. The dates are August 25th thru 27th. This is a fabulous marina and will be lots of fun. As time gets closer we will provide you with specific details.

See you out on the River.

**Cruise Out to Stockton YC**

**May 19, 20, 21, 2017**

Grindstone Joe’s has been one of SYC’s favorite cruise-outs BUT this year they were hurt by the floods and we will not be able to go there at this time. So we have redirected the cruise out for May to our own beautiful Club.

Friday evening The Garcia’s will be preparing a great dinner, Saturday we will take advantage of our own picnic area with Potluck Appetizers around 1200 (1:30) please bring something to share for hearty snacks for lunch.

Saturday night there will be a wonderful dinner by the Picchi’s, followed Sunday morning by Breakfast prepared by the Stetson’s. Please make complete the form and return by May 13th, and I will notify those preparing meals of our count. Look forward to seeing you there
