

CRUISE TO WEBER POINT YACHT CLUB

September 22 - 24, 20

REVISED

Weber Point Yacht Club is located on the San Joaquin River at lights 19G and 22R. The club is accessible only by boat and is easy to find. The club has power, water (non potable), restrooms, showers, a large indoor area with tables and BBQ's. Pets are allowed but must be kept aboard your vessel unless they are on their way to the proper (or is that pooper?) area. It also has a small kitchen with limited cooking facilities. Weber Point is a small club and is very sensitive to the environment.

Your friendly Delta Fleet Captains will be hosting a Margarita Party on Friday afternoon, bring an appetizer to share. We will provide Continental Breakfast Saturday and BBQ hamburgers with all the trimmings for Saturday lunch. For Friday dinner, let's have "Bring Your Own BBQ and a side-dish to share". Saturday dinner, our Hosts will be providing a dinner for us, Stuffed Pork Chop, Potatoes, Vegetable, Salad & Dessert for \$20.

Please sign-up early as Weber Point's Guest docks only hold about 18 boats. In the event we have too many, we'll need to use the reservation date. Please complete the following sign up form:
