

# SYC SAFETY DAY

February 17, 2018

Check in time at the club house will be 8:30 AM

**# 1 The signup sheet for vessel safety inspection will be on the table in the club house.**

Please copy this e-mail link [STKNYCCOMDORE02@AOL.COM](mailto:STKNYCCOMDORE02@AOL.COM) and let us know if you are attending and want your Boat inspected. This will let us how many inspectors will be required to complete the inspections in a timely manner.

**Let's try and have every boat get the Safety inspection completed on Safety Day 2018**

#2 Please remember that all members that have their boats berthed at the SYC marina are required to have the U.S. Coast Guard vessel Safety Check completed with all items passing and in good standing. If your boat does not pass the check list, the failed items must be repaired and a re-check needs to be performed and signed off. The time limit is 150 days from January 1<sup>st</sup> each year to provide the Port Captain with a copy of the approved U.S. Coast Guard Vessel Safety Inspection each year.
