

2018 Stockton Yacht Club April Cruise Out Event

Cruise with us April 13, 14 and 15

We'll leave our sheds around 11:00 am and make a leisurely cruise to

Delta Yacht Club

We're heading to Delta Yacht Club's docks for some great fun. If you've cruised there before, then you know, these guys and gals know how to make a club feel welcome. We'll have some fun games planned and great meals to keep you content. Their bar is always interesting and a fun place to gather and have a good time.

The grounds have a few trails to walk, a short golf putting green to play and, if you dare, a pool you can brave (*it's seasonal but may be open by the time we get there*).

Delta YC has great docks that lend themselves to comfortable strolling from vessel to vessel, so you can spend time with your friends and visit as many of the SYC vessels as you please.

This is a dog-friendly club but, as always, **please** be a responsible pet owner and follow up after your animals. Leashes are required as well.

There will be more details to follow with information regarding meals, games to sign up for, time tables and such. For now, however, mark your calender and save these dates. *We have a great year planned for the 2018 cruising season, don't miss any of the fun!*

Details to follow with sign-up information and projected costs
