

# SYC Cruise to Village West Marina

## November 3 - 4, 2018

Let's enjoy our last SYC organized weekend on the water . . . Together!!

Village West Marina is welcoming us at their docks for the cost of \$1.00 per foot of length of your boat, if you are 30 ft and over. For 29 ft and under, a mere \$0.75 per foot. The marina has requested a bit more information from us. **Please send a copy of your boat insurance along with your registration.** You will notice a few more items on the registration form, as well.

For this short event, we will be enjoying Eye-Openers on the docks once we arrive and our boats are secured. Lunch will be on your own. **BUT for Dinner, we will be gathering at Garlic Bros for the evening. We are organizing a group meal.**

We look forward to spending time with you!
